Orange County Clerk-Recorder Opens New South Orange County Office

Orange County Clerk-Recorder Tom Daly announced the opening of a South Orange County branch office at the Laguna Hills Civic Center. Beginning on Monday, February 27th, the new office provides a convenient new location for obtaining copies of official records.

“This new office is part of our ongoing effort to provide great customer service,” said Daly. “Our customers in South County will now have an easier way - and a much shorter drive - to obtain necessary personal documents.”

At the new county office, the public may obtain:

- Copies of birth, death and marriage records
- Property document recordings
- Copies of official property records
- Marriage licenses and wedding ceremonies

The new office is located at the Laguna Hills Civic Center, 24031 El Toro Road, Laguna Hills, one block from Interstate 5. It will be open Monday through Friday from 9:00 am to 4:00 pm, with ample free parking.
